To,

S. Sadasivi, Esquire, B.A , L.C.E.,
Secretary, to the Government of His Highness
the Maharaja of Mysore, Public Works
Department

SIR,

With reference to paragraph 3 of your letter No.E D.S 258 dated 25th November 1921 to the Chief Electrical Engineer, a copy of which was forwarded to me for information with your Memo No E D S 240/E L. of the same date, I have the honour to state that this work was carried out not at the instance of the Municipality nor even after consulting that body Railway Station and Sayaji Rao Roads are the main procession routes on State ceremonial occasions in this Capital City and this, therefore is a legitimate charge on the general Administrati

Letter No E.D S 197 dated 5th September 1919 from the Public Works Department Secretary to Chief Electrical Engineer

It was on this account and the Government sanctioning this work that I first made by representation which resulted in the appointment of the Special Committee presided over by the Second Member of Council At the Committee meeting also I pointed out how the charges for such works could not be borne by this Municipality especially with their very limitted and slender resources. Further

under the present conditions of their deficit budgets it is it is physically impossible for them to bear this heavy cost, which from the statement furnished by the Chief Electrical Engineer comes to Rs. 6,734-12-7 as the actual cost incurred on the work against the estimate.

3. I have therefore to request that you may be so good as to move the Government to kindly reconsider the matter in the light of foregoing circumstances and to instruct that this sum of Rs. 6,734-12-7 may be debited to General Administration

I have the honour to be,

Sir,

Your most obedient servant,

Rates for the supply of Electric power for street lighting systems in the State.

FROM LORDS OF THE COMMITTEE OF HIS EXCELLENCY

THE GOVERNOR OF MYSORE.

Public Works Department.

REVENUE & GENERAL
L 2998.
24 NOV 1921
LOCAL SELF GOVT. BRANCH

Read:-

Letter No.3152 dated the 20th April 1921 from the Chief Electrical Engineer submitting proposals for increasing the rates charged for power supply for the Bangalore and Kolar City Municipalities and the Kolar Gold Fields Sanitary Board Etc.

Para 4 of G.O.No.E.D.S.572-3/177, dated the 31st May 1921, direct me that the question of raising the rates for street lighting systems be taken up separately and proposals therefor submitted for orders.

3. Correspondence ending with Note No.D.D.S.1 dated the 7th July 1921 by the Secretary to Government, Public Works Department resubmitting the question for orders.

Order No.E.D.S.223-30 Dated Bangalore, 21st November 1921.

The existing arrangements under which power is supplied to the Bangalore and Kolar City Municipalities and the Kolar Gold Fields Sanitary Board are as under:-

(a) The Bangalore City Municipal Council pay an annual contribution of Rs.20,000/- for 1997 11-6th Amritsaled in the whole city including all extensions and suburban villages.

(7

(b) For all lights put up in addition to the above 1593 lights and for those to be installed hereafter, the Municipal Council have agreed to pay a royalty of Rs.30 per lamp of 40 or 60 C.P. and for lights of higher candle power special rates are fixed by Municipal Council and the Electrical Department in consultation with each other. The capital cost of the lights installed in addition to the 1593 lights is borne by the Government.

(c) The Mysore City Municipal Council pay an annual contribution of Rs.10,000/- for 600 lights installed within the Municipal limits. An additional 307 lights were installed in 1914 and the rate to be paid on these additional 307 lights was fixed at Rs.16.67 per lamp per annum on the same basis as was fixed for the original 600 lights. All subsequent additional lights are charged at the rate of Rs.30 per lamp as per G.O.No.4664-6/Ml. 135-13-9 dated 27th October 1919.

In this case also, the capital cost incurred on the installation of additional lights was borne by Government.

(d) The Kolar Gold Fields Sanitary Board is to pay a flat rate of Rs.15 per lamp per annum on the 140 lights installed at the cost of the Board. The rate for subsequent additions is fixed at Rs.30/- per lamp per annum the capital cost thereon being borne by Government.

7. The Chief Electrical Engineer has recommended a uniform rate of Rs.30 per lamp (of 40 or 60 C.P.) per annum for all lights included under original and subsequent installations put up in the three Municipalities.

8. The actual operating expenses are now estimated at Rs.37 per light per annum.

(8

4. After carefully considering the reasons adduced by the Chief Electrical Engineer to modify or alter the rates, the Government of His Highness the Maharaja of Mysore are pleased to order that the original number of lights viz. 1993 at Bangalore, 907 at Mysore and 130 at Kolar Gold Fields may continue to be charged for at the existing connection rates for another five years i.e., up till to end of 1925-26.

5. For all lights over and above the original number the charges may be fixed at Rs.10 per light per annum.

6. The charges will be subject to revision every five years.
